**Annual Meeting Chair Report**

I will start this meeting off the same way I started last years, and that is with extreme gratitude! I will apologize in advance for anyone I miss thanking in my report. On behalf of the entire Board, we are grateful for all of the many hands and souls that make this Center what it is. We are appreciative of ALL those that have served this church over the last year. We can't ignore the fact that some have chosen to seek spiritual fulfillment elsewhere, yet we are grateful for the gifts they shared with us while they were inspired to do so as well as the love and energy we all shared together.

This dedicated group of volunteers has put in plenty of overtime over the last year. We have had to make very important decisions, many very difficult decisions. The decisions we have made have always been what we thought, at any given time, was in the best interest of the Spiritual Center. Right or wrong, Where ever you personally stand on any given decision, I can honestly stand here and tell you that we have done our very best. And we have reached out to both, Rev. Ron Fritts, our Transition Facilitator and UWWM for guidance on many occasions. I would like to thank this entire team for the devotion they have put into this last year. Thank you.

#### **Celebrating our blessings**

~Our beloved Miss Marie Wendt resigned as Youth Ministry Director in Feb of this year. Marie continues to support the ministry through communications and direction whenever asked.

~Tricia Alexander resigned as Music Ministry Creative Director and has left the newly organized music ministry team. We celebrate the musical gifts and heart she brought to our music ministry over the years. Tricia remains available as a guest musician.

~Tricia also remains as our Administrative Director, keeping the wheels turning and watching the road ahead. Thank you Tricia for all you continue to do for our Center.

~We welcome our new Youth Ministry Director, Michele Sprouse-Gerbig. We are grateful to have such a qualified teacher take this important role in our ministry. We celebrate all the good Michele will bring to the children of our Spiritual Center.

~I need to give a special Thanks to Maria Pizzuto-Wubs and Nancy Nott for the role they played in creating a smooth transition in the Youth Ministry program. It was through their efforts that the program was able to continue in an almost seamless way.

### **Board Activities**

Yes, it has been a busy year and yet your Board of trustees has needed to attend to everyday business as well. Those things include:

#### **Continued Minister Transition Activity**

We will have a special Report on this activity presented by our Transition Team leader Rina Schroeder. Rina will be reviewing the activity and discussing our plans moving forward toward our perfect, inspirational, dynamic next minister of Unity Spiritual Center of Woodstock. Thank you Rina for all of your energy, enthusiasm and the heart and soul you have put into this process.

I'd also like to thank all the Search Team members of last year. That Team consisted of:

Beth Alan, Jacob Cichy, Carol Hubner, Rina Schroeder and Larry Walsh.

#### **Building Management needs**

The Center continues to be on a spending freeze since the middle 2015. With this, any expenditures have needed to be approved by the Board of trustees.

Our visions for the future include:

~New Calhoun Street entrance doors

~Partition between Power and Fellowship to be able to better utilize our Rental income

~Updates to our Sanctuary

Lastly, I would like to recognize George Mulligano for his great generosity in our buildings maintenance needs. George has remained our Maint. Manager and is tithing his time to do so. Thank you George for all of the gifts you bring to our Spiritual home! And thank you Rina for your constant assistance in anything Maint. Related!

Other activities:

**Your Board has hosted 2 Bi-Annual Spruce Up Days, one in the spring and one in the fall.**

**The Board of trustees also monitors all of the active ministries in the Center.**

**Decisions on Guest Speakers and Guest Speakers compensation**

**Membership Survey and re-organization of Service Flow**

**Background check changes for all leaders and teacher within the ministry**

Thank you Rina and Tricia for overseeing these changes

**Scheduling Soft wear**

A soft wear called Sign Up Genius is now being used for scheduling YM, Music Team and other ministries. Like any change, it is taking some adjustment, but it has helped reduce our employee costs and make us more efficient with assignments and tasks. Thank you Nancy Nott for introducing this tool to us and getting us set up!

## **Slide 6**

**Thank you to our Staff**

~Our music team for the last year has consisted of Tricia Alexander, Andy Anderick, Lori Gray Muligano, Ken Johnson, George Muligano and Alpha Sterwart. Music is such an important part of our ministry. The talent we enjoy every Sunday is truly inspiring. Thank you all!

~Tricia Alexander who serves as Administrative Director. Like the rest of us, Tricia has had to roll with the flow over the past year. Thank you Tricia for your understanding during some challenging times.

~Deb Gelscheit is not technically staff. Deb is an independent contractor assisting with our bookkeeping needs at an extreme discounted rate. Thank you Deb, we are so fortunate to have Deb as part of this Centers team sharing her gifts.

~Maria Pizzuto-Wubs who now assists Michele Sprouse-Gerbig with YM needs sharing her amazing organizational skills.

~Our cleaning crew is also not technically staff, but I want to acknowledge them for the work that they do. Senior Whiskers is the company that cleans our building along with our Sunday Cleaning Angel Dorothy Biris and our volunteer Sunday Cleaning Angels Bill Kanies (who served last year but has recently needed to release this service) and Karen Gurbig. Thank you all. You have made our Spruce Up Days much shorter!

And finally I would like to thank all of you! We all come to this place to be spiritually fed. We come here to share ideas, love and support. I am grateful to

be here, to have an opportunity to serve and I am grateful for each and every one of you.

### **Be the Change**

“Be the change that you wish to see in the world.”

– Mahatma Gandhi

How many of you have heard this quote? How many of you strive to live it?

I had always related this quote to internal work: remaining peaceful in the face of chaos, kind in the face of meanness, loving in the face of anger (all things I continue to strive for and still sometimes miss the mark). But it occurs to me that there is much more to this quote!

Be the change... It is a call to action! It's a call to put hands and feet to the change YOU want to see in YOUR world. And if it is your desire for this Spiritual Center to be a part of your world, we need you to take action.

Your Board of Trustees has faced some pretty extreme challenges over the last year. We have gotten and done much more than we originally signed up for. This is not a complaint, it is a fact. And, quite frankly, we are tired. We need you, we need you to “be the change”.

If there is something you see that needs to be done, don't wait to be asked, ask how you can help.

If there is a volunteer need posted, don't wait to be asked, ask how you can help.

If you have asked and not gotten a response, ask again. Tell us what gifts you would feel inspired to bring to this community.

This is YOUR Spiritual home and we need you. We need each other. Let's “be the change” together.

Thank you all! Thank you for all you do, for all you will do and be, and for all that you give.
